**Page:** 1 of 1

**Item Reference:** Tyler City Code Chapter 16, Article 1, "Solid Waste Disposal Regulations", Section 16-13, "Fees".

The City of Tyler Solid Waste Department proposed an increase for pack-out service during the May 11, 2005 City Council meeting. The Department proposed an increase of \$1.00 for pack-out service up to 150 feet which would move the rate from \$3 plus tax per month to \$4 plus tax per month, and a \$3.00 increase for pack-out service over 150 feet, which would move the rate from \$3 plus tax per month to \$6 plus tax per month, to become effective January 1, 2006. The pack-out service fee up to 150 feet will increase from \$4 plus tax per month to \$5 plus tax per month; over 150 feet will increase from \$6 plus tax per month to \$7.50 plus tax per month, to become effective January 1, 2007.

Additionally, the department has decreased its subscription curbside recycling fee from \$2.75 per month to \$2.50 per month effective January 1, 2006 in an effort to encourage further participation in the program.

It is important to amend Section 16-13 relating to fees currently charged for pack-out service and curbside recycling to codify all Solid Waste-related fees in City Code, Chapter 16, "Solid Waste", Article I., "Solid Waste Disposal Regulations".
