

**CITY OF TYLER
COUNCIL COMMUNICATION**

Agenda Number: Z-3

Date: November 28, 2007

Subject: APPLICATION Z10-07-108A DENNIS WALKER
Request that the City Council consider a request to change the zoning from "M-1" Light Industrial District to "R-1B" Single Family Residential on Lot 14 of NCB 354A of the Caspary Addition, one lot totaling approximately 8,715 square feet located at the southwest intersection of Claude Street and Palace Avenue (996 Claude Street).

Item Reference:

The applicant is requesting a zoning change to allow for the construction of a single family home.

Section 10-210, "R-1B" Single-Family Residential District, allows for the development of single family residential units, churches, public schools, and accessory buildings and uses which are incidental to the above uses, but not involved in the conduct of business. Maximum allowable building height is two and one-half stories or 42 feet in height. Setback requirements are 25 feet in the front and rear and six feet on the side. Minimum lot size is 6,000 square feet.

All adjacent properties are currently zoned "M-1" Light Industrial District. Presently, there are single family homes to the west and commercial development located to the east of the subject property. The State of Texas owns vacant land to the north of the subject property.

The recently adopted Future Land Use Guide designates this area as single family medium/low density and upon inspection of the property, it appears that the neighborhood is developed mostly as single family housing. The continuing development of single-family structures will enhance the beautification and reinvestment of the area. This request will have a positive impact on the area.

On November 6, 2007, the Planning and Zoning Commission held a public hearing on this request. Of the 10 notices mailed, two notices were returned in favor and no notices were returned in opposition to the request. No one appeared on behalf of the application. No one spoke in opposition to the request.

All other departments have reviewed the application and anticipate no significant impact on services or facilities by the proposed change.

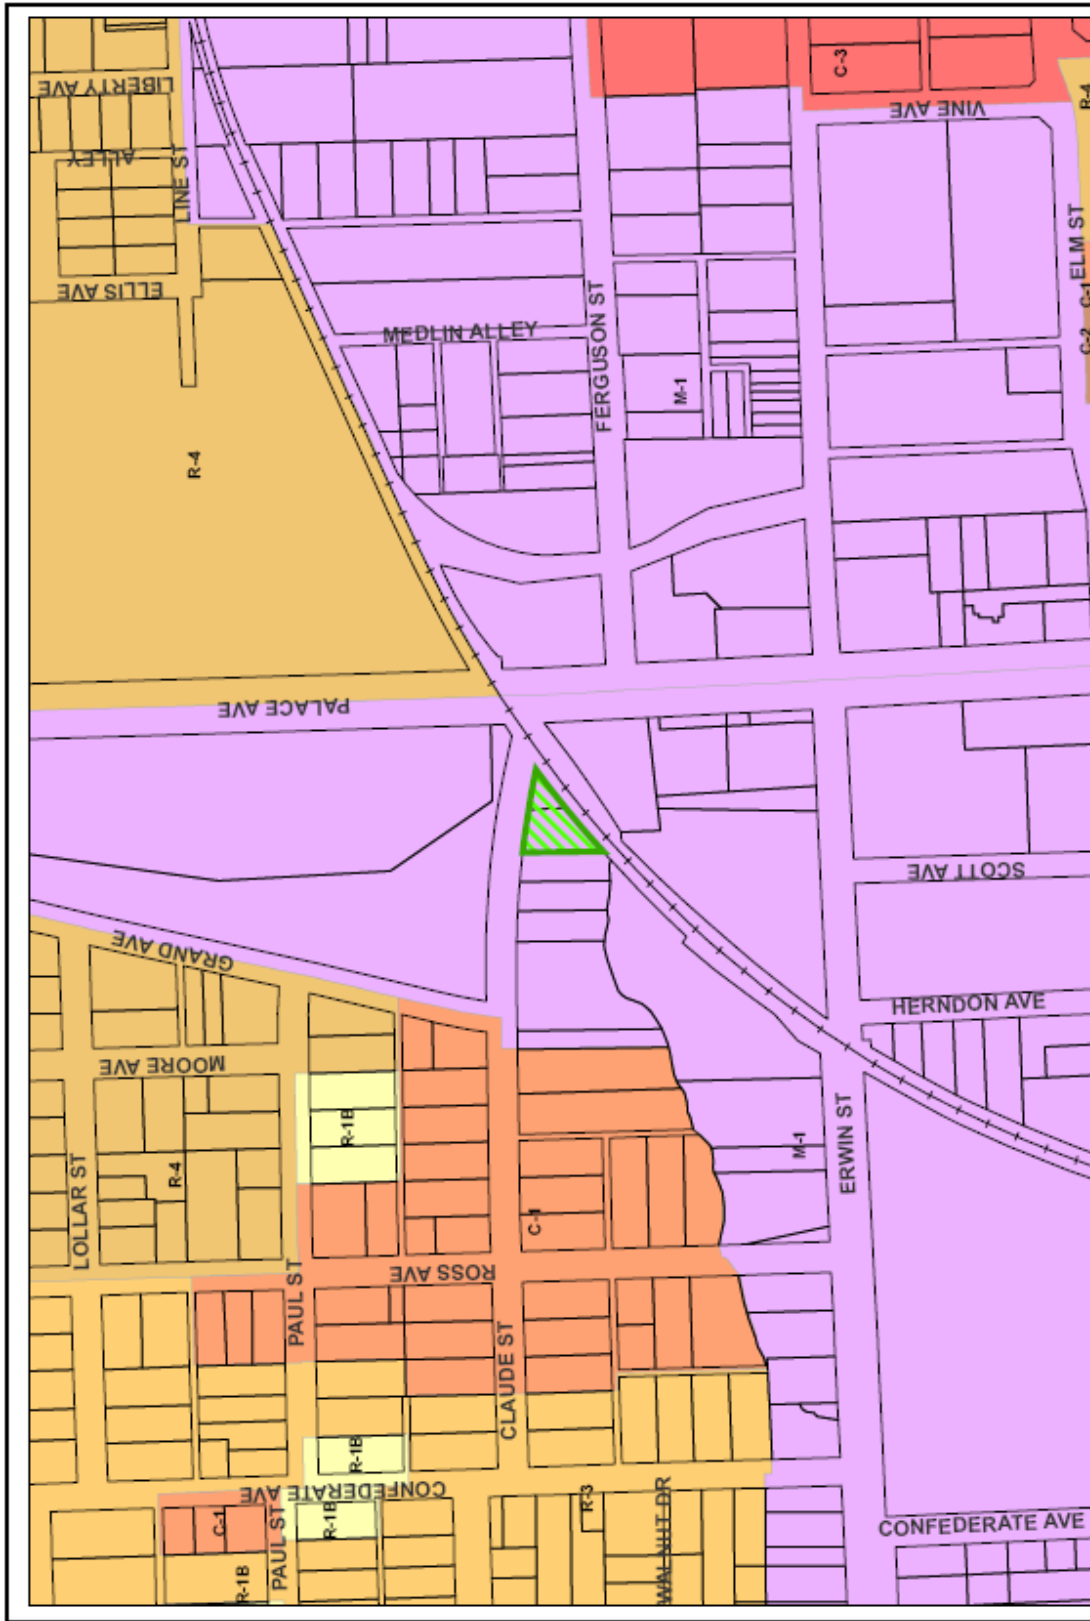

RECOMMENDATION:

The Planning and Zoning Commission, by a vote of 6-0, recommends approval of the request to change the zoning from "M-1" Light Industrial District to "R-1B" Single-Family Residential District.
