

**CITY OF TYLER
CITY COUNCIL COMMUNICATION**

Agenda Number: Z-15

Date: July 25, 2007

Subject: APPLICATION Z07-07-072A CITY OF TYLER ON BEHALF OF NUMEROUS CITIZENS – PHASE FOUR-A

Request that the City Council consider a request to change the zoning from “R-2” Two-Family Residential District to “R-1B” Single-Family Residential District for the following three lots:

Lots 6A and 6B of NCB 447 of the Oak Grove Subdivision (1011 West Nutbush Street) and Lot 34 of NCB 433 of the Sol Katz Subdivision (504 West Vance Street).

Item Reference:

The City is offering a zoning change to bring the zoning into conformity with the current use for a single family area bounded by Martin Luther King Boulevard to the north, Vance Street to the south, Carlyle Avenue to the east and Moore Avenue to the west.

Section 10-210, "R-1B" Single-Family Residential District, allows for the development of single family residential units, churches, public schools, and accessory buildings and uses which are incidental to the above uses, but not involved in the conduct of business. Maximum allowable building height is two and one-half stories or 42 feet in height. Setback requirements are 25 feet in the front and rear and six feet on the side. Minimum lot size is 6,000 square feet.

Generally, the adjacent properties to the north, east, south and west of the three lots proposed to be rezoned are zoned “R-2” Two-Family Residential District, yet most of the actual structures are single family homes.

These three lots are part of Phase Four of the citywide “R-2” rezoning project. The property owners are proposing to build single family homes on these three lots and need to have the rezoning completed prior to the scheduled Phase Four approved timeline. In keeping with the City Council’s directive, no fees were charged.

This rezoning will have a positive impact on the neighborhood by allowing the property owners to rebuild, refinance or remodel their single family homes. This process is in keeping with the desired outcome of Tyler 21 – to increase the number of single family homes in North Tyler and to foster redevelopment and reinvestment in the North Tyler neighborhoods.

The Future Land Use Map designates this site as Low Density Residential and the request for “R-1B” Single Family Residential District is consistent with that land use designation.

On July 3, 2007, the Planning and Zoning Commission held a public hearing on this request. Of the 56 notices mailed, four notices were returned in favor of and no notices were returned in opposition to the application.

No one spoke in favor of or in opposition to the rezoning request. All other departments have reviewed the application and anticipate no significant impact on services or facilities by the proposed change.

RECOMMENDATION:

The Planning and Zoning Commission, by a vote of 5-0-1, recommends approval of the request to change the zoning from "R-2" Two-Family Residential District to "R-1B" Single-Family Residential District for the requested the rezoning. Commissioner Rider abstained for conflict of interest reasons.
