

## CITY OF TYLER CITY COUNCIL COMMUNICATION

**Agenda Number:** Z-3

**Date:** February 27, 2008

**Subject:** APPLICATION Z01-08-022B CITY OF TYLER ON BEHALF OF  
NUMEROUS CITIZENS –PHASE 4-G

**Request that the City Council consider a request to change the zoning from “R-2” Two-Family Residential District to “R-1B” Single-Family Residential District on Lot 11 of NCB 212B of the Drake Subdivision located southwest of the intersection of Queen Street and North Bois d’Arc Avenue (323 Summerkamp Street).**

### **Item Reference:**

The City is offering a zoning change to bring the zoning into conformity with the current single family use.

Section 10-210, "R-1B" Single-Family Residential District, allows for the development of single family residential units, churches, public schools, and accessory buildings and uses which are incidental to the above uses, but not involved in the conduct of business. Maximum allowable building height is two and one-half stories or 42 feet in height. Setback requirements are 25 feet in the front and rear and six feet on the side. Minimum lot size is 6,000 square feet.

Generally, the adjacent properties to the north, east, south and west are zoned “R-2” Two-Family Residential District, yet most of the actual structures are single family homes. This lot is part of Phase Four of the city wide “R-2” rezoning project. In keeping with the City Council’s directive, no fees were charged.

Once the lot has the appropriate zoning, this rezoning will have a positive impact on the neighborhood by allowing the property owners to rebuild, refinance or remodel their single family home. This process is in keeping with the desired outcome of Tyler 21 – to increase the number of single family homes in North Tyler and to foster redevelopment and reinvestment in the North Tyler neighborhoods.

The newly adopted Tyler 21 Future Land Use Guide designates this site as Single Family and Single Family Attached and the request for “R-1B” Single Family Residential District is consistent with that land use designation.

Of the 22 notices mailed, no notices were returned in favor of or in opposition to the request. All other departments have reviewed the application and anticipate no significant impact on services or facilities by the proposed change. At the January 15, 2008, Planning and Zoning Commission meeting, no one spoke in favor of or in opposition to the application.
