## The *Called* to S-E-R-V-E Difference

---

- Tyler has one of the lowest property tax rates in Texas at 20 cents.
- We have NO tax supported debt.
- We pay cash for most infrastructure projects.
- We have a AAA bond rating.
- We have a water supply for the next 75 years.
- We have landfill space to last until 2110.
- We have approximately the same number of full time employees that we did in 1985.
- We have one of the lowest residential Solid Waste rates in the State — AND we pick up twice per week.
- We have an exemplary fire protection rating of Two (among only 4% in the State).
- Our Police Department is accredited (one of the first in the State).
- Tyler has become one of only a few cities nationwide to launch a Lean Sigma program to become even more efficient.
