

TISD CAMPUS CRIMESTOPPERS

TISD Campus Crimestoppers is collecting pop tabs to support the operations of the Ronald McDonald House in Dallas. This popular fundraiser benefits seriously ill children by helping provide a place for them and their families to stay while they are out of town for medical treatment. The annual operating budget of the Ronald McDonald House of Dallas is \$1.1 million. They welcome over 1,600 families each year. While the families are at the Ronald McDonald House, they have a private bedroom, meals 3 times a day, transportation to and from some hospitals, occasional outings and activities for patients and families who are staying at the House, access to support services, and assistance with funeral expenses when necessary. Because of the generous support of the community, a family can stay at the House and pay no more than \$10 a night.

TISD Campus Crimestoppers will be traveling to the Ronald McDonald House in Dallas at the end of the school year to deliver collected pop tabs and to take a tour of the House. We need your help to collect as many tabs as possible. Please drop tabs off at the front office at Robert E. Lee High School or at the Tyler Police Department, attention: Crimestoppers. Thank you for your support in this community project!
