

City of Tyler
Building Inspection Department

TEMPORARY GAS PERMIT
\$30.00

This Temporary Gas Permit is good for sixty (60) days. It must be renewed before expiration date to prevent the disconnection of service.

The following inspections and conditions must be completed before a Certificate of Occupancy is issued. The building CANNOT be occupied until this Certificate of Occupancy is issued.

1. Electrical Final Inspections (531-1167)
2. Plumbing Final Inspections (531-1157)
3. Mechanical Final Inspections (531-1159)
4. Parking Lot put in and striping as per plans submitted (531-1151)
5. Final approval from the City of Tyler Engineering Department. (531-1151)
6. Landscaping according to plans submitted, Planning & Zoning (531-1151)
7. Smith County Public Health District final if applicable (535-0038)
8. Fire Marshall Office (535-0022)
9. Address must be posted, to be visible / in clear sight in case of emergency. THIS MUST BE A PERMANENT ADDRESS, no less than 3 inches on the structure, mail box, or curb.
10. Building is not to be occupied until final inspection is made for Certificate of Occupancy. This inspection will not be made until items #1 through #9 are completed. (531-1151)
11. If the above items are not adhered to, temporary gas can be disconnected from the building by the authority of the Building Official.
